# 30th Annual INTERNATIONAL BRAHMAN SALE

Ladies and Gentlemen,

On behalf of the American Brahman Breeders Association we would like to invite you all to the 2012 International Brahman Sale. This year's sale is undoubtedly one of the most exciting as we have assembled the highest quality, most elite set of females to have ever been offered in the sale.

In the cattle business, success depends on the power and productivity of one's cowherd. In life, success depends on taking advantage of opportunities. As you take the time to look through the catalog we hope you realize the opportunity to add strength to your breeding program. You will notice many opportunities to own some outstanding females as well as opportunities to purchase flushes on some of the most elite females in the breed today.

As in the past we have videoed the offering for your further inspection of the cattle. The videos and sale catalog can be viewed at [www.brahman.org](http://www.brahman.org). On the day of the sale, the pre-sale cattle viewing and cocktail party will begin at 5 PM, with the sale starting promptly at 6:30. Immediately following the sale will be the annual semen sale, benefiting the ABBA Research and Breed Improvement Committee. More opportunities will abound at the semen sale with many lots being offered to the public that are not available on the open market. You can view the semen offering prior to the sale on the ABBA website or pick up a catalog at the ABBA Booth in Reliant Center.

In closing, we would like to thank you all for your continued support of the International Sale and of the Brahman breed. Please remember success is where preparation meets opportunity. Are you prepared to take the steps to ensure your success? Hope to see you sale day!

Sincerely,

*2012 International Sale Committee*

Dyess Farms considers it an honor to be able to offer Ms. DF 154/1 as the 2012 AJBA Foundation Female. Ms. DF 154/1 was our pick of the 2011 Spring Calf Crop and we think she is the complete package combining style, femininity, disposition, pedigree and performance. This young show heifer boasts a straight J.D. Hudgins pedigree. She is sired by our herd sire JDH 435/1 who traces back to the great 805 bull on the top side with one of the strongest bottom sides in the breed, crossing (+) Marri and the +Maddie Rem cow that is the dam of JDH Echo & JDH Tobe. The bottom side to 154/1 is equally as impressive, combining the genetics of our Senior Herd Sire, JDH Constance who is the sire of our contending Show Bull of the Year "Snowman" and a Dwayne Daughter, that on the maternal side, is out of the Maternal Great (=) 880/2 and the \$JDH Lady Ellis cow that is the dam of JDH Elmo, JDH Deeds and other great JDH Herd sires. As if her eye appeal and pedigree were not enough, she is performance packed ranking in the Top 10 percent of the breed for growth and the top 15 percent for milk. We hope the buyer of this female appreciates her as much as we do! All proceeds from this lot will be used to fund the programs of the American Junior Brahman Association.

Our first offering in this prestigious event is one of our best! 294 has been shown by Morgan competitively over the past year. She is sired by our Register of Renown Sire, +JDH Fusig Manso who is a son of the International and National Champion, JDH Woodman Manso and a daughter of the Vanguard Sire (+)JDH Datapack. The dam to this excellent female is one of our top cows that is extremely fertile, having calved every year, and is out of the Maternal Giant, (=) JDH 204/2 and a daughter of our Karu son (995/4) that has done us an outstanding job. To further compliment this package, she is bred to +Mr. V8 901/4 for a September calf.

Pay close attention to this great offering! Miss B-F 221/0 is a heifer out of our showbarn and not only is she nice but has a proven pedigree containing the most influential genetics in the Red Brahman breed. She is a flushmate to our 218/0 heifer that was the Grand Champion at the LJBA State Show and National Calf Champion in 2011 as well as a full sister to the 2009 International Senior Champion for Temple Hill Farm. Her sire, LB Derringer is known worldwide due to his performance in the showing and in the pasture. Her dam, TH 132 was a former International Res. Division Champion and recently entered the Register of Renown and is without question a proven donor. To further add to this already impressive offering we will include a weaned female calf from this same mating. This calf will be born in the Fall of 2012 and will be able to be picked up by May 1, 2013. We are pleased to be able to offer what we consider one of the most elite, proven packages in this sale.

Miss BER 283 is a grand daughter of the two times Houston Champion Mr. V8 846/5 (THE ROCK) this bull has taken our breeding program to the next level producing champions and great females. Our current show string is full of grand daughters just like her. She has that up headed look that judge's just love and catches their eye as soon as she walks into the ring. Her sire is Mr BER 252 a young bull that has produced great for us, just stop by our aisle in Houston and check out all the calves from this young herd sire. He is a grand son of +JDH Sir Liberty Manso that produces cattle with lots of muscle. She has been exposed to our newest herd sire Mr V8 670/6 which should be a great mating mixing the power of the 670/6 bull with the femininity of the 283 heifer. Her breeding status will be checked prior to the sale. If you are interested in beautiful females then this will be one you don't want to miss.

JDH Lady Manso 144/6 puts a classic beef conformation together with performance capacity, femininity and class. No surprise her pedigree is full of high performance, thick heavy muscled cattle. She is a rare combination of the bloodlines of Elliott 761/2, Winchester 36/1, Prescot 82/6 and Sage Manso 92/1. Clean sheaths and outstanding natural muscling are what her sire, JDH Milan 550/5 and Grand sire JDH Josiah 125/7 are known for. Her young mother has produced two females that we kept for our herd and now 144/6 that made our showstring. Her dam is a granddaughter of our very best; Maternal Merit and Register of Renown Vanguard cow, \$JDH Lady Manso 945/8.

JDH Lady Suzie Manso 796/1 is a very classy heifer from the J.D. Hudgins show string. Dark pigmentation, breed character, and balance, make her a very eye appealing show heifer. When you add the muscle and the capacity she exhibits, the package is complete. JDH Lady Suzie Manso 796/1 has a pedigree with some of the most sought after genetics from J.D. Hudgins Inc. Including: Wellington 527/1, Datapack 563/5, Echo 237/1, Remington 784/2, and Madison 737/4. This a rare opportunity to add a female of this quality and pedigree to your herd.

## Lot 14 PICK OF THE HERD FLUSH

CONSIGNED BY: LA MUNECA CATTLE COMPANY

In an effort to share the fruits of our labor with the Brahman World, we are opening up our herd for you to select what you feel is our best cow or best two cows to breed to your bull or any of our bulls to help get you started breeding your share of the best Polled Brahman cattle you can produce. **You can buy all of one flush from one cow or spread your risks over two flushes out of the same cow – two sires or two different cows. You are guaranteed a minimum of six number one embryos.**

Our POLLED Brahman market is strong. We are sold out of heifers and our bulls have sold to six different states with semen selling to four different continents. Our cattle are winning in the show ring and most important the sales arena. We get inquiries almost on a daily basis. Good Polled Brahman cattle are here to stay because it just makes economic sense to breed them to genetically dehorn your cattle.

70% of our herd is polled but our horned cows are really good and are producing some very good polled cattle. We look forward to showing you our cattle. Some of our favorites will be shown on the screen at the sale and can be seen in our ads. I have been in the purebred business for 49 years. We are as excited about these POLLED Brahman cattle and their future as we have ever been. Buy with confidence. You and the cow you pick will be featured in an upcoming LMC ad. THANKS ABBA for this OPPORTUNITY !!

VL Elena 120/8 is our next top donor that recently completed her show career placing at the top of her class and most recently being named the 2011 National Reserve Senior Champion. Although her signature Santa Elena look has credited her with several titles, it is her pedigree and performance that we think will benefit our program. She is sired by VL 80/2 who is one of our former show bulls and a Trait Leader for Weaning Weight. He too has sired several show ring winners and should enter the Register of Renown next year. The dam of 120/8 is a former show cow and from one of our strongest cow lines that are fertile, produce large numbers of embryos and are very maternal, as indicated by her ranking in the top of the breed for growth and milk. VL Elena 120/8 is the kind of female that will make an impact in the breed due to her combination of show ring wins, pedigree containing 11 past show animals, strong maternal lines, ranking in the Top 2 percent of the breed for growth and milk and extreme fertility, calving before her third birthday. We are pleased to offer you the prospect of sharing in these genetics with this flush opportunity. She is open and ready to be flushed at your convenience. We are guaranteeing six (6) Grade One embryos and will offer semen on any of our bulls. The work is to be done at Santa Elena Ranch by M&W Cattle Services, Dr. Dan Miller.

This outstanding female comes straight from a select group of our top replacement heifers. She is our first Woodson daughter to be sold at public auction and we feel she should enhance the genetics in your herd for years to come. In addition to being the daughter of one of the greatest International champions ever, her dam is out of JDH Emmett Manso, a Datapack son, who has given us many replacement heifers and the very fertile flush cow, Miss SNS 229/4, a JJ 389 daughter. SNS 557 is stylish and muscular with a straight top and exceptionally clean underline. She was AI'd to JDH Karu 800 on 1-4-12, a cross that has worked extremely well for us. We are proud to offer Miss SNS 557 for your consideration.

In considering our first consignment to the International Sale, we at Silent G, decided to offer nothing less than our best. SGR LADY GNEMI 319/0 is a stylish, moderate framed spring of 2010 heifer that exhibits excellent breed character and beautiful pigment. There are very few Brahman females produced today that would equal her in length of body, volume and thickness without sacrificing femininity. Her sire, 989/6 - a foreign only Hudgins sire, is a son of +JDH SIR LIBERTY MANSO from a (+) JDH DATAPACK MANSO daughter. Her dam, 347/5, is a top producing cow at the ranch. 347/5's sire is a maternal half brother to breed legends such as (+) JDH COPANO MANSO and (=) JDH WINCHESTER MANSO going back to \$JDH LADY MANSO 945/8 - one of only two Vanguard females produced from the J.D. Hudgins Ranch. 319/0's maternal great grand dam is the great +JDH LADY MANSO 251/9 who also has produced JDH ATLAS MANSO 328/5. Her most important feature is fertility. Selling 3 months safe in calf to our up and coming sire, SGR GAG ORDER 224/9 a son of the performance sire JDH SIR FORREST MANSO 159/6 from a +JDH KARU MANSO bred cow. Take a hard look at her. Powerful, Performance, and Pedigree are the words that come to my mind when describing Miss JS 995/0. This heifer is one of my personal favorites that comes directly off the JS Show Team. The depth of body, capacity, bone and natural thickness that Miss JS 995/0 possesses is truly amazing. Her pedigree stacks up some of breed's best: such as Liberty, Double Take, Copano, and Domino. On the maternal side of things, you will notice JDH Miss Aida Manso who is also the dam of Mr. KC Justice Manso 847 owned by Cannon Creek Ranch and Pat Cone. Miss JS 995/0 was AI'd to Mr. V8 901/4 on 1/10/12. With the power and performance of 995/0 and the conformation of 901/4, the combination should create a genetic explosion. Don't let this future donor get away!! Thanks for your consideration.

Miss V8 187/7 is one of the deepest-sided, boldest sprung heifers we have ever offered in the Houston sale. She is packed with muscle and thickness, excellent hump placement, and has a lot of Brahman breed character. Her pedigree stacks outstanding Brahman bloodlines including Avery, Liberty, Elliott, Datapack, Karu, Dakota, and V8 189/4. The bottom side of this pedigree, especially, features many of the breeds well known carcass bloodlines. If you are looking for a female with a lot of muscle and depth, yet with a feminine look, this is the female for you. This heifer was a class winner at the National Show early in her show career. She sells bred to Mr. V8 203/6, a Charley's Jazz son who produced our herd bull Mr. V8 675/6. Without question, a future donor cow. V8 retains 1 flush at the buyers convenience.

La Asociación Americana de Criadores de Brahman se ofrece para intermediar estos cuidados en la finca del criador por el precio de US\$ 3.50 por cabeza y día para el nuevo propietario (que debe pagar estos gastos) hasta la fecha de embarque.

**DISPUTES:** The auctioneer in charge will settle any disputes as to bids and his decision on such matters will be final.

**HANDLING:** As their sale is effected, all animals will be maintained at the purchaser's risk.

**BREEDERS GUARANTEE:** Every animal in this sale is, to the best of the breeder's knowledge, free from any disease and are all sound. Pregnant cows are considered breeders without further guarantee. If an animal fails to breed after a trial of six months, it may be returned to the seller in good condition. Seller reserves the right to try said animal for six months and if it proves to be a breeder, return it at the buyer's expense. If the animal proves to be a nonbreeder, an animal of comparable rank or credit on the purchase of another animal will be offered.

**HEALTH:** All necessary health papers will be furnished in order for the cattle to be shipped anywhere.

**NOTE:** Cattle sold for export to foreign countries must, by state law, be officially tested for the disease required by that country after the sale is made. The seller will be responsible for this testing. Sellers must realize that foreign transactions will take longer to clear due to letters of credit, etc.

**ANNOUNCEMENTS:** Announcements from the auction box will take precedence over the printed matter in this catalog and all other announcements.

**LIABILITIES:** All persons who attend the sale do so at their own risk and the American Brahman Breeders Association and sale manager assume no liability, legal or otherwise, for any accident that may occur. The American Brahman Breeders Association accepts no liability for the animals after they are sold. Insurance will be available at the sale for cattle purchased if the purchaser requests it.

**CONTRACT:** The above terms and guarantee shall constitute a contract between the buyer and the seller of each animal sold.

**TRANSPORTATION:** It is the responsibility of the buyer to make all shipping and transportation arrangements.

# World Wide Livestock EXPRESS, Inc.

SHIPPING AVAILABLE FROM THE USA TO CENTRAL AND SOUTH AMERICA  
AS WELL AS THE CARIBBEAN ISLANDS!

World Wide Livestock Express, Inc. is a shipping company that specializes in the transportation of all species of livestock. We ship animals from Houston and Miami and have the knowledge to consolidate shipments from across the country in order to serve our customers.

The containers being used for transportation are specially designed for the safety and comfort of the animals being transported. Shipping by sea, via a World Wide Livestock container, provides a less stressful way of transporting livestock to their destination. They have been inspected and approved by the USDA and are some of the best quality containers available. These specially designed containers have interior ventilation systems that provide a constant flow of fresh air, maintaining a comfortable climate for the animals inside.

We also offer air transportation for horses. A professional attendant accompanies each flight, ensuring that every horse receives proper care and attention.

We assist with health testing preparation of livestock and health paper certification. Quarantine services are also available for the testing period.
